Resource 1: Design Brief for the School Mural

1. The mural design must fit the site where it is to be displayed (for example, is it for a long low wall, or a high gable wall? How will your design fit this shape?).
2. The mural must describe the values that are important in the school.
3. The mural must show the things that are important to the whole school, not just to one particular group or class.
4. The mural must be colourful and make an impact!
